

***Now is the time for e-learning:  
Get skilled and embrace the EU!***

Dear Sir or Madam,

With **CIFE's Executive Master in EU Studies**, you can build up your skills to tackle tomorrow's international and European challenges.

Benefit from our **long-standing e-learning expertise** in teaching professionals **online and on-site**. Join the next class of the **Executive Master in EU Studies!**

***Study while working***

CIFE's Executive Master in EU Studies is designed for professionals who want to study while pursuing their careers. Our programme unfolds over a two-year academic journey and enables **flexible** study paths adapted to your needs.

Our alumni from Europe and beyond work in ministries, NGOs, public and private organisations.

They particularly valued a programme that provides:

- **in-depth knowledge on EU fundamentals** with a focus on current EU key issues
- **research and methodology** based on best practices of the academic community
- **training** to acquire **professional skills**
- **blend of e-learning and weekend workshops** in Barcelona, Berlin, Budapest, Brussels, Nice, Rome & Vienna
- **exclusive one-to-one guidance** from our international faculty and staff.
